

READY FOR YOUR INTERVIEW?
3 THINGS TO REMEMBER!

1

PHOTO ID

Employers are likely to ask for identification as part of the employment verification process.

2

RESUME

Employers rely on resumes to provide documentation of your qualifications. If you have caregiving related certifications, bring copies of those as well.

3

REFERENCES

Be prepared with 3 references of people who have agreed to speak about their experience working with you. (Include their name, physical address, email address, telephone number, company name, if applicable, and a short explanation of your working relationship.)

GOOD LUCK!
