Personal Care & Respite Workers Needed!

Individuals throughout **Kansas** are hiring personal care and respite workers to support elders and people of all ages with disabilities as they take part in everyday life – working, playing, and being involved in their community. Positions may be part-time or full-time; day, evening, weekend or overnight shifts are available.

Job duties may include: personal care; transportation to appointments; recreational activities; job coaching; respite care (giving families time away from caregiving responsibilities); and more! No experience is necessary, but you must be compassionate, patient, dependable and willing to learn!
