

Social Media Copy and Graphic

The following is a ready-to-use graphic and suggested caption for your social media channels. You can share these directly on your Facebook, Instagram, or LinkedIn accounts to highlight our family resources with your community. Feel free to adapt the captions to your audience, but please keep the messaging consistent.

Caption

Finding quality care starts with connection.

Rewarding Work helps individuals and families across Connecticut find trusted caregivers in their local community. Families can easily post jobs, browse caregiver profiles, and connect directly with those who best fit their needs.

Families eligible for services through the Connecticut Department of Developmental Services can register free of charge using the access code: ctddsconnect

Start building your network of care today at RewardingWork.org.
