Seeking a caregiver?

Rewarding Work provides an online directory for individuals and families to find qualified caregivers across Kansas. The directory and resources are no-cost for families served by the United Healthcare Community Plan. Register with the code **unitedconnect** to access a **free 12-month renewable subscription**.

Once registered, families can post jobs, browse local caregivers, and connect directly with professionals who fit their needs. It also allows access to our free resources, which provide helpful tips and advice on self-direction and care at home.

For more information or to register visit RewardingWork.org, email support@rewardingwork.org, or call 866-212-9675. Rewarding Work is an affiliate of TILL, Inc.
